Dear Mr. Lynch:

Re: Vladimir Sokolov

In response to your request of 30 May 1980, I have asked the Agency components which could reasonably be expected to possess such information to search their files for a record of information on Vladimir Sokolov, a/k/a Vladimir Dmetrivich Sokolov, a/k/a Vladimir Samarin-Sokolov, a/k/a Vladimir Samarin. I have been advised by these components that their records contain no information on the activities of Mr. Sokolov, nor do they record any CIA contact with him.

Sincerely,
